Congratulations on Becoming Certified!

Certification demonstrates your advance knowledge of Medical Staff Credentialing and Privileging. It grants you instant professional credibility, puts you head and shoulders above the competition, and increases your earning potential. In short, certification is an investment in your career, your livelihood, and your future.

Enclosed is a \$10.00 check to invest toward a frame for your certification, which we hope you will proudly display for one and all to see.

On behalf of the Utah Association of Medical Staff Services, we wish not only to extend our hearty congratulations, but look forward to being your primary source for continuing education.

Respectfully,
UAMSS State Officers
